

## Sad Sad Situation

## Hot Hot Heat

Like honeybees, you sting and then die  
The damage done, is pleasure in disguise  
I don't know why  
Another gun and I'm living life  
Ties that come unloose for me to compromise  
I don't know why, these feelings I can't hide

It's such a shame, to lie to yourself  
It's such a shame, the highlight you should tell  
It's such a shame, to hide from yourself

It's a sad sad situation  
When you don't call  
Cut itself out  
It's a sad sad situation  
When you don't call  
Cut itself out  
It's a sad sad situation

Seal the deal or still it a night  
Deal with it now or in the morning light  
The dreams I trust  
He speaks the truth and I will make it rhyme  
This idle stature kills me every time  
I don't know why, these feelings I can't hide

It's such a shame, to lie to yourself  
It's such a shame, the highlight you should tell  
It's such a shame, to hide for yourself

It's a sad sad situation  
When you don't call  
Cut itself out  
It's a sad sad situation  
When you don't call  
Cut itself out  
It's a sad sad situation

Whoa  
Maybe one day  
Maybe one day  
We'll have a holiday  
Maybe one day  
Maybe one day  
Maybe one day  
Maybe one day  
We'll have a holiday  
Maybe one day  
Maybe one day

It's just a sad sad situation  
When you don't call  
Cut itself out  
It's a sad sad situation  
A sad sad situation

Maybe one day

Maybe one day  
We'll have a holiday  
Maybe one day  
Maybe one day
