

# What Is Rational?

Hot Hot Heat

Nobody warns you  
Nobody even cares  
Nobody warns you  
Take it from me, take it from me", he says

Making sure he wasn't looking back with nothing to say  
Making sure he wasn't looking for another way  
Making sure he wasn't looking back with nothing to say  
Making sure he wasn't looking for another way

Lay off your rhetoric sir, please  
Your flattery is lost on me  
I'm asking, I'm asking, I'm asking, I'm asking nicely

What is rational?  
What is rational?

Looking back, he knew he gave himself a head full of holes  
Looking back, he never wanted to be one of those  
Looking back, he knew he gave himself a head full of holes  
Take it from me, take it from me, he says

Nobody wants you  
Nobody even cares  
Nobody wants you  
Take it from me, take it from me
