About me?
Have you ever, have you ever listen?

I'm a famous sniper
A killer maker
A ready trigger
(Gratata baam baam baam)
A relentess gamer
A merciless taker
A chaser who doesn't miss anything
(Ta-da ta-da ta ta day)

More quickly and shrewdly than anyone else
When I get a feeling and push forward
(Crazy, crazy, they go crazy)
Sometimes, I'll tickle you with the words you wanna hear
If you wanna follow my natural senses, follow me

All night, you'll be dreaming
I'll make you dream of me me me
Dream of me me me
From morning to night, I'm aiming for you
You can't run away, nowhere to run
I'm a sniper

Like a boiler that burns you up
Over
The game is over
My aim is ready
I'm pulling back the trigger

Towards my goal
Wanna feel my cheat key?
I have the master key to open your heart

All night, you'll be dreaming
I'll make you dream of me me me
Dream of me me me
From morning to night, I'm aiming for you
You can't run away, nowhere to run
