

Visited Salmon, I Mean Transit Balcony

Hot Mulligan

Adrenaline and menthol grinding at my teeth
I'm singing, "Show me what I want to see"
I'm saying, "Show me where I want to be"

Homesick?

No, I'm sick of home

All it ever gave me were weekends on the phone

Feeling badly but laughing at the times that I passed up

Guess that wasn't enough

Guess that wasn't enough

Homesick?

No, I'm sick of home

All it ever gave me were weekends on the phone

Feeling badly but laughing at the times that I passed up

Guess that wasn't enough

Guess that wasn't enough

Hey! Hey! Hey! Hey, kid! Come on, tell me what you're missing

Tell me what you're missing out on

Hey! Hey! Hey! Hey, kid! Come on, tell me what you're looking

Tell me what you're looking down on

Tell me what you're looking down on

Homesick?

No, I'm sick of home

All it ever gave me were weekends on the phone

Feeling badly but laughing at the times that I passed up

I guess that wasn't enough

I guess that wasn't enough

Homesick?

No, I'm sick of home

All it ever gave me were weekends on the phone

Feeling badly but laughing at the times that I passed up

Guess that wasn't enough

Guess that wasn't enough

One, two, three, four

Homesick?

No, I'm sick of home

All it ever gave me were weekends on the phone

Feeling badly but laughing at the times that I passed up

Guess that wasn't enough

Guess that wasn't enough

Homesick?

No, I'm sick of home

All it ever gave me were weekends on the phone

Feeling badly but laughing at the times that I passed up

Guess that wasn't enough

Guess that wasn't enough
