

Very Best Friend

Hot Rod Circuit

So he says did you know I'm your very best friend, I can't repe
at this over, eye rings on the pillow, some think I might never
really had the time, I thought you were my hero, never say tha
t well be alive again.

the worst task coming and it will never get better

Run you down

The worst task coming and it will never get better

Said you in that way

The worst task coming and it will never get better

Run you down

The worst task coming and it will never get better

So he says did you know I'm your very best friend, I can't repe
at this over, eye rings on the pillow, some think I might never
really had the time, I thought you were my hero, never say tha
t well be alive again.

the worst task coming and it will never get better

The worst task coming and it will never get better

The worst task coming and it will never get better

Run you down

The worst task coming and it will never get better

Said you in that way

The worst task coming and it will never get better

Run you down

The worst task coming and it will never get better
