

# Automatic Midnight

Hot Snakes

Yeah pay attention to these  
Everyday miracles please  
What makes a bullet fly in a straight line?  
Why are people so unkind?  
Why is there pain in my heart?  
How do they turn trash into heat?

Yeah that's right  
Auto midnight  
Bringing midnight straight to my heart

Am I insane?  
Should I feel this way?  
I need a radar to find you  
To get you in my sights  
Is this love  
Bringing midnight straight to my heart?
