

# I Hate The Kids

Hot Snakes

Nobody does anything  
Wrong  
Nobody is a dilettante  
Everybody get everything  
Everything they want

Time to change up sheets  
Lock change  
Down  
Down in the street  
I wanna see ya all crossed up and hung

Fine clothes  
Find work  
Grab a spade  
Get in the dirt  
The older you get  
The less you're worth  
You're gonna hit the market full force
