Hot Tuna

Well, now give me my pistol, man And three round balls I'm gonna shoot everybody That I don't like at all Like at all, like at all Like at all, like at all

Gotta .38 special, man and .45 frame You know the thing don't miss 'Cause I got dead aim Got dead aim, got dead aim Got dead aim, got dead aim

Well, the world is a drag
And my friends can't vote
Gonna make me a connection
And score some dope
Go, get high, go, get high
Go, get high, go, get high
