

Arms Can't Stretch

Hot Water Music

And I turn black
I turn stars
I turn you

And I turn black
I turn stars
I turn you

And I can wait around - And I turn black
And I can wait around - I turn stars
And I can wait around - I turn you

And I can wait around - And I turn black
And I can wait around - I turn stars
And I can wait around - I turn you

And I turn black
I turn stars
I turn you

And I turn black
I turn stars
I turn you

And I can wait around - And I turn black
And I can wait around - I turn stars
And I can wait around - I turn you

And I can wait around - And I turn black
And I can wait around - I turn stars
And I can wait around - I turn you

And I can wait around - And I turn black
And I can wait around - I turn stars
And I can wait around - I turn you

And I can wait around - And I turn black
And I can wait around - I turn stars
And I can wait around - I turn you
