

Rest assured

Hot Water Music

Even though you won't see what i'm seeing i would love for you
to feel what i'm feeling- the impact and the ease after rest as
sured the pain will fade right outside the inspiration is told
i'll carry on what i know that is what i need for my sickness-
a transition to new medium breakaway from the world and stick t
o rhythm rest assured the pain will fade if i don't walk blinds
ide i'll roll right if i hold sight i'll roll right i'm sure we
see that same way just not from the same place i need a medium
i need a balance
