Hot Water Music

I've seen heroic falls
Busted lips from microphone brawls
Angelic songs sung by all
Within the Hardback Falls

It never mattered who you were
Or where you worked
It never mattered who you were
Or what you earned

What mattered was what you gave
And what you loved
What mattered was what you gave
And what was learned

Like one for all
Whatever turn of events may come

We all live underground
Underground where it stays warm
Community with common sounds
We work together to break ground

It doesn't matter who you were
Or where you work
It doesn't matter who you were
Or what you earn

What matters is what you give
And what you love
What matters is how you live
And if you love.
