

Dont B N Da E

Hotboii

Being for me
I know you a freak so I don't want you being for me
Yeah Yeah
Hot kut da fan on
I was breaking and entering but I don't be in da E
Let's say them crackers take me in, no you won't be here for me
Look Look

I was breaking and entering but I don't be in da E
Let's say them crackers take me in, no you won't be here for me
I know you a freak so I don't want you being for me
Head hot in these streets, but they say I drop heat on the beat
I know how to test her to make you seen what I seen
So much punchlines I leave these rappers beat like Ali
Why you totin that iron for its just going to rakiage
I just want your mind girl get in your mouth like hygiene

Get in your mouth like hygiene I seen that body In my dream
We come about on my street ain't nothing but straps around me
We went to the A, I had a warrant, those crackers came and found me
Here goes a rake for all my love just rake it up when I leave
Say had you feeling like DJ Khalid, You Da Best One
So now my shooters at your scalp cause you got vests on
Steppin by that nigga, ain't no question (Yeah)
Rollin one get tired so my niggas don't spare
Rollin one get tired, just be rolling like [?]
I fuck with her on the low, cause she always keep it 1000
[?] they be divided, I just popped an Addy
No new niggas round me, you fuck niggas get subtracted
Don't be no silly rabbit
Tricks for kids, no cuffin them
Even though I got to tell them hoes, I ain't got enough for them
Give up what I'm whipping, not my strap I just got stuff to give
Going to burn 'em with the MAC, so I'm going to shoot it like a buster

I was breaking and entering but I don't be in da E
Let's say them crackers take me in, no you won't be here for me
I know you a freak so I don't want you being for me
Head hot in these streets but they say I drop heat on the beat
I know how to test her to make you seen what I seen
So much punchlines I leave these rappers beat like Ali
Why you totin that iron for its just going to rakiage
I just want your mind girl get in your mouth like hygiene
