Getting that fashion  
'Cause I'm smashing

Yeah

I got traction  
Glock my jacket  
This not fashion  
Told her you don't have to wait  
I could get you back today

Okay .40 on my hip it make 'em back, back  
Had to tell the girl to find her way don't want you back, back  
I've got too much money in my safe and in my backpack  
I be wearing pink, yellow, and white diamonds that's abstract  
I ain't got no Tiktok baby, I ain't got no Snapchat  
Rollie do not ticktock baby, and it got a glass back  
I can see right through your cap like you got on a glass hat  
I was fucking on lil plastic bitch, she got a glass back  
I was hitting it so high you know I had to crack that  
And we known to sell it raw  
Samples for a lab rat  
Niggas they big mad, mad  
Lambo I can't crash that  
Don't sleep, as on Baghdad  
Can I have my swag back?

Different hoes I'm smashing  
I got traction  
Glock my jacket  
This not fashion  
Told her you don't have to wait  
I could get you back today

Big ol' watch like Ben 10  
The drums get wings like chicken  
The drums get wings like Popeye's tonight

Wonder why he popped out and died,  
Can't no opp whip no drop top  
.556 at the top of yo mind

Taking risks trying to go to trial  
Sometimes you just gotta roll... the dice
