

Goat Talk

Hotboii

(Cook that shit up, Quay)
Kut Da Fan On (-Fan On)
Storm the most (Storm the most)
Hurt the most (Hurt the most)
Hurt the most

If I get caught up in the storm, my brain gon' storm the most (Gon' storm the most)
Loyalty betrayed, it's like that pain that hurt the most (Pain that hurt the most)
Told her I got dope dick and now she want a dose (Now she want a dose)
She know I'm a animal, she wanna fuck the GOAT, yeah (She wanna fuck the GOAT)
You don't know what I been through (You don't know)
Say it's smoke, then be about it, get your issue (Say it's smoke)
Attach the scope, so from afar, I still can hit you (Through the scope)
Put some money on his top, same price as Christian Louboutin

Red beam so precise, yeah
Heat you, no Hibachi, yeah (Heat you, no Hibachi)
I just copped a.40, I put the red beam on the side of him
We bring all the noise, I spent some money just to silence him (I spent a check)
They say if I live by him (If I live)
One day I'ma die by him
I'm dying on my own (Yeah)
So I'm riding on my own (I am)
Crackers froze my time, eight months my time froze (Ayy)
I cut my lil' ho off, 'cause she ain't know how to play her role (I cut her off)
My new ho suck me on the road, I'm speeding down I-4
If you riding let me know (Then let me know)
Get grimey upping poles (We upping poles)
My lil' YG, he on go, tell him run down, he up the score (He up the score)
Gotta show me what it is, I keep that iron on me for sure (Keep that iron on me for sure)
See shit for what it is, so don't be blinding me no more (Don't be blinding me no more)
It took some time, I realized, then opened my eyes (Eye)
Your shooter blind, open fire, but he closing his eyes (Close his eyes)
Say life's a gamble going to trial like rolling the dice (Rolling the dice)
Say life's a gamble going to trial like rolling the dice

If I get caught up in the storm, my brain gon' storm the most,
huh
Loyalty betrayed, it's like that pain that hurt the most (That
hurt)
Told her I got dope dick and now she want a dose (She want a do
se)
She know I'm a animal, she wanna fuck the GOAT, yeah (Wanna fuc
k the GOAT)
You don't know what I been through (You don't know)
Say it's smoke then be about it, get your issue (Ayy, get your
issue)
Attach the scope, so from afar, I still can hit you (I still ca
n hit you)
Put some money on his top, same price as Christian Loub's (Chris
tian Loub's)
