

They need to free my dawg, but for right now we make the best out of it
Didn't know right for wrong, I had on one to correct now

They need to free my dawg but for right now we make the best out of it
Didn't know right for wrong I had on one to correct now
Gotta keep it tuck cant have no time to hit the rest now
Baby I'm a star when you're with me it's like a mess

I ain't plenty I put rings on you out of space now
Planet ramic rolling with you till ain't can't drive
We gonna spin they block for 30 days so they can't hang out
In the city we got all the fame make a nigga hate us

Let it slang out
Let it rain out
Face shots
Let it slang out let it rain out face shots
Don't even want no to waste time
Ok stain block and k blocks gang got swell
What's a lay drop rain drops
I know he made it to heaven
I done walk through the rain so many times, no umbrella

Gotta nigga bitch with me hell cry if I bm her
If she give an omg any thing I do is extra
I could by you lv gucci prada and etcetera
Is your riding with me girl would you ride with a stepper cause we

Ruff riding Ruff riding Ruff riding Ruff riding oh cause we
Ruff riding Ruff riding Ruff riding Ruff riding oh
Ruff rinding Ruff rinding Ruff rinding oh
Ruff rinding Ruff rinding Ruff rinding oh

They need to free my dawg but for right now we make the best out of it
Didn't know right for wrong I had on one to correct now
