Hotboii

Bitch, I can't even stop getting money I got a disorder
Gay bitch only like dildos FN got a dick on it
12 blitz he in on it, that nigga an informant
Sippin' lean too lazy to dodge a bitch I had to stiff arm
4's out a baby bottle I might put a bib on
I'm bored gave your favorite IG model my dick to sit on
Got to know when that chopstick blow they gon' feel us
They can't even solve it, all these murders like a riddle

I'm a dog ass nigga I belong in someones kennel
If I call that nigga hit a stick it's like a general
Hard to fall back, can't call off gotta go to work for real
He's a loner smoking dead opps them the only one with him
Had to face it
He put only whites in his chains like he racist
Judge want to indict me say I run shit cause I'm famous
And I know you don't really like me cause you sucked me I ain't complaining
And I know I'm hot before I burn the roof I drop the top in the rain

Left wrist rollie right Cartier
Uh, I went off set I seen Cardi there
Raw bitch bought a bun know she got a lot of hair
I ball like a lot in there get a lot of cheddar

Left wrist rollie right Cartier
Uh, I went off set I seen Cardi there
Uh, bitches game time I scrub the bill
I ball like a lot in there get a lot of cheddar

Get a lot of cheddar run it up like treadmill
I left something better I knew I could do better
Yo lil bitch she for the gang just focus on yourself
On my face Cartier my frame Cartier my bezel

Pull up vrm vrm what is Hotboii taking off in
Nigga snooze lose can't go to sleep I stayed up to get rich
12 watch if I ever caught me a play I'm playing the field
And I be already knowing how it be before I catch feelings catching a drill
Oh sorry, I can't even stop getting money I got a disorder
Gay bitch only like dildos FN got a dick on it
12 blitz he in on it, that nigga an informant
Sippin' lean too lazy to dodge a bitch I had to stiff arm
