

Rockout

Hotboii

Seph got the waves
Ayy Rockstar
For y'all to remember me
I really want for y'all to remember me
Trill, where the fuck you at?
Kut da fan on

I just really want for y'all to remember me
He said he wanted to be a star he EGE (He EGE)
I play that bitch like a guitar thought shit was sweet (Thought shit was sweet)
And we run down we got AR, no glizz with me (No glizz with me)
Hold on Rockout
If he move wrong give him slugs (Give him slugs)
I'm talking do him like a pump
Go ahead and fill him up
Don't do no arguing
If its smoke I'm trying to put him up (Put him up)
I got my heart broke don't give a fuck so I don't really love
Hold on Rockout

Only fuckin with day ones ain't nobody from day two (Day two)
Everybody check the climate I'm the hottest but they new (But they new)
On my body I put diamonds you tried robbin' made the news (Made the fuckin' news)
I got shottas you would never know they quiet when they move (When they move)
Plus these bitches on my trail, I know its because I'm on the money trail (Yeah)
I just want you to keep it real with nigga
I'm grinding for a M (Yeah Yeah)
I seen niggas fuck with a dealer I ain't trying to be like them I want to live (Nah nah)
Talking ghost then I am one of them (Yessir)
Niggas loving hoes they ain't even what it is (You know it)
You fuck it up for us you trying to fuck and have some fun but she won't love now and I ain't got no love out here to give (Nah)

I just really want for y'all to remember me (Yah)
He said he wanted to be a star he EGE (I knew he is)
I play that bitch like a guitar thought shit was sweet
And we run down we got AR no glizz with me
Hold on Rockout
If he move wrong give him slugs (Rockout)
I'm talking do him like a pump
Go ahead and fill him up
Don't do no arguing
If its smoke I'm trying to put him up
I got my heart broke don't give a fuck so I don't really love
