War ready
I'm war ready
Tell them bitches that I'm ready, war ready
Tell them bitches that I'm ready, war ready, yeah

Tell them bitches that I'm ready, war ready
I don't fuck with my daddy, he a pussy-ass felon
These niggas be jealous, real jealous
I don't need no friends 'cause they know that I'm steppin'
Young nigga gon' rock the party
Got your bitch tryna top the party
If some shit go down, my young niggas gon' stop the party

I ain't tryna crash out, I'll go Ricky Bobby
Body after body, leave a nigga dead in the lobby
I ain't know karate, still knew how to flip the profit
Start clutchin' shotties, young nigga kept him a pocket rocket
Bitch, I'm in my bag now, so she go bad
Won't do nothin' but count up these racks, yeah, I'ma drop a bag
Don't give a fuck 'bout what the price is, and I'm up one
Won't a soul take my shine color, I'm the chosen one, I'm the chosen one

Tell them bitches that I'm ready, war ready
I don't fuck with my daddy, he a pussy-ass felon
These niggas be jealous, real jealous
I don't need no friends 'cause they know that I'm steppin'
Young nigga gon' rock the party

Go dig up your homies, I sent them to heaven
Smoked him, now he what I'm rollin' for breakfest
I be in the 'yo the most, I just want fetty
I just be dickin' these hoes and I vanish
I know how to switch with my bros, I ain't selfish
I be gettin' fly, I don't know when I'm landing
I tried tell the time, but my diamonds was dancing
That's why I be showin' up so late sometimes, but I can't help it
I be dealin' with all this shit be on my mind, they wanna arrest me
But I ain't even do shit, ain't commit no crime
I ain't even gotta be with the gang, wherever you run up on me, you die

Tell them bitches that I'm ready, war ready
I don't fuck with my daddy, he a pussy-ass felon
These niggas be jealous, real jealous
I don't need no friends 'cause they know that I'm steppin'
