

Look me in my eyes tell me if you have ever witness 81 killings ever  
Spent and double back because the clip won't empty  
We gone shoot at house we walk out hop out vehicles what the fuck nigga

Look me in my eyes just look me in my eyes and tell me thats how this  
shit go

What you know about moving your folks so you can handle smoke  
Night owl with that drake must be ovie o what the fuck nigga

Ain't trying to find a job plenty ways to get it gotta get up get out  
and grind

If it's smoke in the city better not work no nine to five pull up to  
you job and drive thru

Drive by I got you hahah look me in my soul

You should probably see the devil instead of demons only

Put that nigga in the wheelchair and he still holding on

Next time I see that boy I'm grab his ass roll him home (WHAT THE FUC  
K nigga )

And my wrist the sickest the sun down I'm on the e way all my diamond  
s glistening

I got a bad habit of treating my glizzy like my women

Oil them up and make them pretty

But them on some long extensions finger fuck she go to spitting

Look me in my eyes tell me if you have ever witness 81 killings ever  
Spent and double back because the clip won't empty  
We gone shoot at house we walk out hop out vehicles  
What the fuck nigga

Look me in my eyes just look me in my eyes

And tell me thats this how this shit go

What you know about moving your folks so you can handle smoke

Night owl with that drake must be ovie o what the fuck nigga

How you wanna be on the team and you ain't down to score

How you wanna be ege you ain't even got no motion

Try to handle up on smoke got him moving fours

I don't know ops desprit it's been hard to score

I'm on a yacht popping shit she want drive my boat (aye)

Once thats alcohol kick in then there comes her throat

Rocking gucci just to float I used to be broken

That's when we was kicking door (plow) (plow) (plow ) (plow )

556 they do that

Off rip I want a durag the rim is where we shoot at

I broke ili mama heart im sorry bae I ain't mean to do that

Told nelf let's spin then after that show me the new draft

Look me in my eyes tell me if you have ever witness 81 killings ever  
Spent and double back because the clip won't empty  
We gone shoot at house we walk out hop out vehicles what the fuck nigga

Look me in my eyes just look me in my eyes and tell me thats how this
