

Falling Down

Hotel Lights

earphones in not listening midnight traffic passing i watch you
walk dangerous and sweet a happier off broadway actress from t
he first rays of light you are always on my mind you're clownin
g around i'm losing my balance and falling down red christmas l
ights cold mornings and desert skies there's no one else like y
ou i'm losing my balance and falling down feels like i'm fallin
g see you talk dark and soft like nobody knows you birds fly in
twos why not me and yo ui always feel like my clothes don't fi
t right from the first rays of light you are always on my mind
you're clowning around i'm losing my balance and falling down r
ed christmas lights cold mornings and desert skies there's no e
lse like you i'm losing my balance and falling down you stepped
into my arms wind swirling all your charms small talk about yo
u and i and why did i laugh at that see you walk dangerous and
sweet a a happier off broadway actress from the first rays of l
ight you're clowning around i'm losing my balance and falling d
own red christmas lights cold mornings and desert skies there's
no one else like you i'm losing my balance and falling down wh
y did i laugh
