Hotel Ugly

I would do it for you, for you, for you, for you, for you
I would do it for you, for you, for you, for you, for you
But would you do it for me, for me, for me, for me, for me
I guess we'll wait and see, wait and see

(Ooh)

Everything I thought I knew
The feeling that I had for you
It's written all over your face
The reason that you're running away

(Ooh)

Everything I thought I knew
The feeling that I had for you
It's written all over your face
The reason that you're running away

For you, I'd wait (oh, oh)
It's hard to explain (oh, oh)
It's stuck in your ways (oh, oh)
It's needless to say (oh)

I would do it for you, for you, for you, for you, for you (For
you)
I would do it for you, for you, for you, for you, for you (For
you)
But would you do it for me, for me, for me, for me, for me (For
me)
I guess we'll wait and see, wait and see
