

## Goose Neck

Hotel Ugly

I want  
I just want a little piece of your love  
Always try to make it feel like my fault  
But you don't even love me at all  
Love me at all

I want  
I just want a little piece of your love  
Always try to make it feel like my fault  
But you don't even love me at all  
Love me at all

Baby won't you come  
Baby won't you come  
Back to me  
Back to me

Baby won't you come  
Baby won't you come  
Back to me  
Back to me

Baby won't you come  
Baby won't you come  
Back to me  
Back to me

Baby won't you come  
Baby won't you come  
Back to me  
Back to me

I want  
I just want a little piece of your love  
Always try to make it feel like my fault  
But you don't even love me at all  
Love me at all
