

## Stevie Doesn't Wonder

Hotel Ugly

Feel so high  
You've been switching up and telling me lies  
I've been waiting for you to change (Lalalalala)  
Fight or flight  
But I'll stay with you tonight  
There's a lot of things I can't explain (Lalalalala)

Baby call me one more time  
Moving fast, left me behind  
There's a lot of things that I could say

I could take us anywhere (Take us anywhere)  
Trail your face into my head  
There's a lot of things I can't forget  
I could take my memories (Take my memories)  
And paint your picture in my dreams  
There's a lot of things that I regret (Lalalalala)

Ooh, ooh

I could take us anywhere (Take us anywhere)  
Trail your face into my head  
There's a lot of things I can't forget  
I could take my memories (Take my memories)  
And paint your picture in my dreams  
There's a lot of things that I regret  
(Lalalalala)

Ooh, ooh
