

## Hard Rain

## Hothouse Flowers

It's a hard rain in the ghetto  
Blues are gonna take their toll  
It's a hard rain in the ghetto baby  
Blues are gonna take their toll  
And this city's full of heartache  
Remedy no man knows

Yeah you're livin' by the people baby  
No time bein' on your own  
Yeah livin' by the people baby  
No time bein' on your own  
It's a hard rain in the ghetto baby  
Hard rain's where you're comin' from, yeah

You may be lyin' in the gutter  
A man look down his nose on you  
You may be lyin' in the gutter  
A man look down his nose on you

What else can you s'posed to do

It's a hard rain in the ghetto  
Blues are gonna take their toll, yeah
