Hothouse Flowers

Well I tell ya a story 'bout Hydroman  
He kept all his lovin' in a watering can  
He went lookin' for his daughter to see if she know  
How much-a lovin' it took to make her flowers grow

Hey Lord, Oh Lord  
Who's that man

Oh well the devil women left when she saw such a sight  
You know she's ???? with all her might  
She said how can a low down looker like you  
Beat a red-headed lady all black and blue  
Oh yeah

Oh he hollowed and hollowed, he screamed and he roared

If the devil woman she don't like my world
