

Hard Goodbye

HotWax

Ah, ah, ah, ah
Ah, ah, ah, ah

I could wish I never tied my
Never set myself up
And I do wish I never tied my
Never tied myself up to hard goodbyes
Keep wading through slowly like its sour milk
Hot skin running down singing songs of guilt
My heart spills and spills I can't keep it still
Lock my door shut to keep it gripped

Now I, sleep to dream
While you, chew this scene

Swallow the sea, put out the pain
Swallow the sea, put out the pain
I've got a restricted view stuck in my veins
Morning light is just like your
Name shows bright on the TV screen
Don't look a gift horse in the mouth, cry to a magazine
Now I only sleep to dream
Never tied myself up so hard

Now I, sleep to dream
While you, chew this scene
Now I, sleep to dream
While you, chew this scene
