HotWax

Pain past, is pleasure and time will heal treasure
Dry your eyes, sorry I lied

I, I just want you to love
This, this feeling is rough
You and I are forever

Pain is past pleasure and time will heal treasure
Pain is past pleasure and time will heal treasure

I could try, to keep it hushed but it wouldn't change the taste
And I don't wanna see you cry
I just wanna feel the pain I see on your face

I, I just want you to love
This, this feeling is rough
You and I are forever

Pain is past pleasure and time will heal treasure
Pain is past pleasure and time will heal treasure

Pain is past pleasure and time will heal treasure
Pain is past pleasure and time will heal treasure
