

## Black Jaguar

Houndmouth

Look at the things  
They're so-oh pretty  
Look at the attic  
The black jaguar  
So fade in the night  
But I'll see you on the other side

Oh sweet distraction  
Such a sweet distraction

Golden late nights  
Just feeling stuck in the moment  
Feels like you're dreamin'

It's only real in the middle of the blackness  
I got a feelin' that this beauty and this madness  
Have come to terms  
Maybe I can stop

Oh sweet distraction  
I got a black jaguar  
Such a sweet distraction  
(But you know it, you know it)  
I got a black jaguar  
It's such a  
It's such a sweet distraction  
(But don't you know it, I know it)  
I got the black jaguar
