

# Coast to Coast

Houndmouth

Coast to coast  
We're on the low dose  
And your mother's in the suburbs  
Getting high on hoppers

Ain't nobody comin' back for you and me  
Cause honey we ain't got no political personality  
We started on the floor making art and shit  
We started out with nothing  
And now it's how we're visioning

Coast to coast  
You were always the one I loved the most

Do you ever feel like a ghost  
When you're starin' into your phone?  
You was a real girl  
In the digital comfort zone

But ain't nobody comin' back for you and me  
And these guys that think your body is an economy  
Whoa whoa  
But little do they know that I know that it's just for me  
We're goin' down to the blue line  
We're goin' down to the blue line

Coast to coast  
You were always the one I loved the most  
(Coast to coast)  
(Coast to coast)  
(Coast to coast)  
(Coast to coast)

Raft in the sun  
I'm a raft in the sun  
Float  
I take a drink from the ocean  
I'm hollow inside  
And I like to have fun  
I'm hollow inside  
And I like to have fun

Ain't nobody comin' back for you and me  
And honey we ain't got no political personality  
We started on the floor making art and shit  
We started out with nothing  
And now it's how we're visioning

Coast to coast  
You were always the one I loved the most  
Coast to coast  
You were always the one I loved the most
