

Ohio

Houndmouth

Mommy's working late
And Daddy's out of state
I make black bike tire marks on the concrete
There ain't no time on Baker Street

Ohio
Same old lies
Still remind you
Of a place you used to know
In Ohio

A diamond in the sun
I watch her shining from my bedroom
I can almost hear her say
"The times were good
'Til the time they went away"

Ohio
The same old signs
Flash and shine and
Then pale in an afterglow
In Ohio

Don't kill my Ohio
Don't kill my Ohio
Press my luck
My feet got stuck
And I danced in an undertow
In Ohio

Don't kill my Ohio
Don't kill my Ohio
Don't kill my Ohio
Don't kill my Ohio
Don't kill my Ohio
Don't kill my Ohio
