

All Over Again Flow

Housefires

All over again

I'm starting to fall in love with you
All over again, all over again
I'm starting to fall in love with you
All over again, all over again
All over again

I'm starting to fall in love with you
All over again, all over again
I'm starting to fall in love with you
All over again, all over again
I'm starting to fall in love with you
All over again, all over again

I'm starting to fall in love with you
All over again, all over again

Jesus open my heart to let you speak
Break off the lies that I believe

Jesus, Jesus, oh Jesus
Reintroduce yourself to me
Jesus, Jesus, Jesus
Reintroduce yourself to me
Jesus, Jesus, Jesus
Reintroduce yourself to me
Jesus, Jesus, Jesus
Reintroduce yourself to me
Jesus, Jesus, Jesus
Reintroduce yourself to me
Reintroduce yourself to me
Reintroduce yourself to me
Reintroduce yourself to me
Reintroduce yourself to me

Make an old love like a new love
Make an old love like a new love
This is an old love, make it like a new love
This is an old love and a new love
This is an old love but a new love
This is an old love but a new love

Old love, but a new love
You are an old love, but a new love
You are an old love, but a new love
You are an old love, but a new love
You make yourself new to me every day
In ordinary way
You are an old love, but a new love
An old love, but a new love
And it blows my mind, it blows my mind

I keep looking and find something new every time
Every time

How can an old love be a new love

How can an old love be a new love
How can an old love be a new love
You blow my mind
You blow my mind

Reintroduce yourself to me
Reintroduce yourself to me
Reintroduce yourself to me
Reintroduce yourself to me
Reintroduce yourself to me
Reintroduce yourself to me
Reintroduce yourself to me

How can an old love be a new love
How can an old love be a new love
How can an old love be a new love
How can an old love be a new love
How can an old love be a new love
How can an old love be a new love

Reintroduce yourself to me

I have a friend, I have a love in Jesus
I have a friend, I have a love in Jesus
I have a friend, I have a love in Jesus
I have a friend, I have a love in Jesus
I have a friend, I have a love in Jesus
I have a friend, I have a love in Jesus
I have a friend, I have a love in Jesus
I have a friend, I have a love in Jesus
I have a friend, I have a love in Jesus
I have a friend, I have a love in Jesus
I have a friend, I have a love in Jesus
I have a friend, I have a love in Jesus

Reintroduce yourself to me
Reintroduce yourself to me
Reintroduce yourself to me...
