Another Like You

Housefires

You embodied the fullness of God
Wrapped in mercy, You showed us Your heart
Your love upon the cross
Your love poured out for all

There is no one like the Lord our God
You've been faithful every day of my life
I could search the world and never find
Another like You, another like You

You set a table, You invite us to come
Your body broken, Your blood was enough
This love upon the cross
This love poured out for all

There is no one like the Lord our God
You've been faithful every day of my life
I could search the world and never find
Another like You, another like You

There is no one like the Lord our God
You've been faithful every day of my life
I could search the world and never find
Another like You, another like You

Worthy is the Lamb, worthy is the King
Worthy is the One who reigns forever
Seated on the throne, high above it all
Everyone will know You're like no other

Worthy is the Lamb, worthy is the King
Worthy is the One who reigns forever
Seated on the throne, high above it all
Everyone will know You're like no other

There is no one like the Lord our God
You've been faithful every day of my life
I could search the world and never find
Another like You, another like You

There is no one like the Lord our God
You've been faithful every day of my life
I could search the world and never find
Another like You, another like You

Another like You, another like You
There is no one like you

Worthy is the Lamb, worthy is the King
Worthy is the One who reigns forever
Seated on the throne, high above it all
Everyone will know You're like no other

Worthy is the Lamb, worthy is the King
Worthy is the One who reigns forever
Seated on the throne, high above it all
Everyone will know Jesus You're like no other

Worthy is the Lamb, worthy is the King
Worthy is the One who reigns forever
Seated on the throne, high above it all
Everyone will know You're like no other

There is no one like the Lord our God
You've been faithful every day of my life
I could search the world and never find
Another like You, another like You
