

Authority (In The Name Of Jesus)

Housefires

You moved the mountains, and you split the sea
You call the dead men up to live and breathe
The same authority is alive in me
So, I'll move the mountains
And I'll split the sea

So, I speak to the lies
Truth in the name of Jesus
And I speak to the fear
Hope in the name of Jesus
And I speak to the brokenness
Wholeness
In the name of Jesus
In the name of Jesus

When I'm surrounded and I cannot stand
When insecurities are creeping in
I won't bow down to any fear of man
'Cause He who lives within me is the great "I Am"

So, I speak to the lies
Truth in the name of Jesus
And I speak to the fear
Hope in the name of Jesus
And I speak to the brokenness
Wholeness
In the name of Jesus
In the name of Jesus

So, I speak

So, I speak to the lies
Truth in the name of Jesus
And I speak to the fear
Hope in the name of Jesus
And I speak to the brokenness
Wholeness
In the name of Jesus
In the name of Jesus

Something happens when we sing Your praises
Something happens when the whole room changes
It's the power of the name, oh the name of Jesus

Something happens when we sing Your praises
Something happens when the whole room changes
It's the power of the name, oh the name of Jesus

Something happens when we sing Your praises
Something happens when the whole room changes
It's the power of the name, oh the name of Jesus

Something happens

Something happens when we sing Your praises
Something happens when the whole room changes
It's the power of the name, oh the name of Jesus

So, I speak to the lies
Truth in the name of Jesus
And I speak to the fear
Hope in the name of Jesus
And I speak to the brokenness
Wholeness
In the name of Jesus
In the name of Jesus

I speak
I speak

So, I speak to the lies
Truth in the name of Jesus
And I speak to the fear
Hope in the name of Jesus
And I speak to the brokenness
Wholeness
In the name of Jesus
In the name of Jesus

I have the authority
I have the authority
I have the authority
In the name of Jesus

I have the authority
I have the authority
I have the authority
In the name of Jesus

I have the authority
Yes. I do
I have the authority
I have the authority
In the name of Jesus

I have the authority
I have the authority
I have the authority
In the name of Jesus

So, I speak to the lies
Truth in the name of Jesus
And I speak to the fear
Hope in the name of Jesus
And I speak to my brokenness
Wholeness
In the name of Jesus
In the name of Jesus
