

Grateful

Housefires

If I could write down
All the ways
That You've been faithful
I'd run out of pages
If I could stack up
All the blessings
It would make a pile
Reaching up to Heaven, we sing

I'm grateful
So grateful
You didn't owe me anything
But You gave it to me anyway
I'm so grateful, Jesus
So grateful
The only thing You've ever done
Is show me perfect love

Yes, You have, yes, You have
Oh, You're perfect love, God
Oh, You're perfect love
You're perfect love

I won't waste another day
Thinkin' 'bout what didn't go my way
I won't lose another night
Oh, 'cause You hold my future
And You say it's bright, oh

I'm grateful
So grateful
You didn't owe me anything
But You gave it to me anyway
God, I'm grateful
So grateful
The only thing You've ever done
Is show me perfect love (Sing, I'm grateful)

I'm grateful
So grateful
You didn't owe me anything
But You gave it to me anyway
I'm so grateful, yes, I am
Grateful
The only thing You've ever done, Lord
Is show me perfect love

Yes, Your perfect love cast all my fear out
Cast all my fear out, I'm grateful today, Jesus
Yes, I'm grateful, grateful, grateful, God
You're faithful

You're faithful in the morning
Faithful in the noon time, You are
Faithful in the evening
Faithful all my life

Faithful in the morning, You are
Faithful in the noon time
Faithful in the evening
Faithful all my life (Sing He's faithful, testify)

Faithful in the morning, Lord
Faithful in the noon time
Faithful in the evening
Faithful all my life (Sing we thank You)

Thank You in morning
Thank You noon time
Thank You in the evening
Thank You all my life (Somebody thank Jesus)

Thank You in morning
Thank You noon time
Thank You in the evening
Yes, I'll thank You all my life

Thank You in morning
Thank You noon time
Thank You in the evening
Thank You all my life (Sing I'm grateful)

I'm grateful, yes, I am
Grateful
You didn't owe me anything
But You gave it to me anyway, yes, I am
Grateful
So grateful
The only thing You've ever done
Is show me perfect love

It's the only thing You've ever done, it's the only thing
It's the only thing

You are faithful, faithful, faithful
You are faithful, faithful, faithful, God
You are faithful, faithful, faithful
Yes, You are, yes, You are, come on, sing

You're faithful, faithful, faithful
You are faithful, faithful, faithful, Jesus
You're faithful, faithful, faithful
Yes, You are, yes, You are

And I'm so grateful, grateful, grateful
I'm grateful, grateful, grateful
I'm grateful, grateful, grateful
All You've done, come on, just remember

You are who You say You are
You are who You say You are, come on, sing it
You are who You say You are
You're faithful, You're faithful, sing You are

You are who You say You are, Jesus
You are who You say You are, I trust
You are who You say You are
You're faithful, You're faithful, come on, sing it out if you know it

You are who You say You are, I've seen it

You are who You say You are, Jesus
You are who You say You are
You're faithful, You're faithful, I believe it today

You are who You say You are, oh
You are who You say You are, God
You are who You say You are
You're faithful, You're faithful, let hope arise as we sing

You are who You say You are, oh
You are who You say You are, Father
You are who You say You are
You're faithful, You're faithful, remind Your soul

You are who You say You are, God
You are who You say You are, yeah
You are who You say You are
You're faithful, You're faithful, oh

You are who You say You are
You are who You say You are, yeah
You are who You say You are
You're faithful, You're faithful

Gratitude is my gift to You
And all You ever do is prove You're worthy of it all
My gratitude is my gift to You
And all You ever do is prove You're worthy of it
