

I'm Not Going Anywhere

Housefires

I'm staying home with You
Found my home in You
My refuge
I found my home in You
And I'm not going anywhere
I found my home in You
My refuge
I'm safe and sound with You
So I'm not going anywhere
I found my home in You
My refuge
I'm safe and sound with You
So I'm not going anywhere
Not going anywhere

I'm not going anywhere
I'm not going anywhere
No, I'm not going anywhere
And You're not going either
So, I'm not going anywhere
I'm not going anywhere

I'm staying with you
My refuge
I'm safe and sound with You

I'm not going anywhere
You're not going anywhere
We're not going anywhere
This love is forever, Lord

I'm not going anywhere
You're not going anywhere
And we're not going anywhere
'Cause this love is forever, Lord

I'm not going anywhere
And You're not going anywhere
And we're not going anywhere
'Cause this love is forever, Lord

I'm not going anywhere
And You're not going anywhere
And we're not going anywhere (No-no, no-no)
'Cause this love is forever, Lord

I'm not going anywhere
And You're not going anywhere
And we're not going anywhere
'Cause this love is forever, Lord

Going anywhere
And You're not going anywhere
And we're not going anywhere
This love is forever

This love is forever, Lord

This love is forever
This love is forever
Sing it 'til I believe it

That I'm not going anywhere
And You're not going anywhere
And we're not going anywhere
'Cause this love is forever, Lord

I'm not going anywhere
And You're not going anywhere
And we're not going anywhere
I'm staying home with you
Sing it
I'm staying home with you
I'm staying home with you
I'm staying home with you
