

Never Run Dry

Housefires

Even in the wilderness
Through confusion and barrenness
You are beautiful God
Even in my brokenness
Through this pain I will confess
You are always good

Deserts will bloom in the light of Your love
Valleys make room for the river of God

Even in the wilderness
Through confusion and barrenness
You are beautiful God
Even in my brokenness
Through this pain I will confess
You are always good

(We declare) Deserts will bloom in the light of Your love
Valleys make room for the river of God
Deserts will bloom in the light of Your love
Valleys make room for the river of God

You never run dry, never run dry, never run dry (Yes, Lord)
You never run dry, never run dry, never run dry
You never run dry, never run dry, never run dry (Yes, Lord)

You're my source, never ending
You're my life (Jesus), never lacking
You're my source, never ending
You're my life (You're my life), never lacking

I'm never lacking, no
I'm never lacking in You, Jesus
Never lacking in You, Lord
We believe we're never lacking in every circumstance
I'm looking to You in every season, in every circumstance
I know that You never run out, never run dry
You're the source of my life, Jesus
Oh, there You are, there You are
You overflow deep within me
Oh, You overflow

Deserts will bloom in the light of Your love
Valleys make room for the river of God
Deserts will bloom in the light of Your love
(Every valley) Valleys make room for the river of God

Over every circumstance, every season of life
There's not a single situation that's too far from the reach and the touch of God and His goodness
His river, oh
It's Your river that overflows

Deserts will bloom in the light of Your love
Valleys make room for the river of God
Deserts will bloom in the light of Your love
Valleys make room for the river of God
