

Only Jesus

Housefires

You can have my heart
You can have it all
Laying down my life
No matter what the cost

It's all Yours, all Yours, all Yours
Ooh, all Yours

You can have my heart, ooh
You can have it all
Laying down my life
No matter what the cost

Only Jesus all my days
No greater treasure, no sweeter name
The cross before me, the world behind
I have decided, only Jesus, oh

Only Jesus (Only Jesus, only Jesus)
Only Jesus, only Jesus (Only Jesus)
It's only Jesus, only Jesus

Come on, let's sing it out, y'all
Oh, You can have my heart
You can have it all
I am laying down my life
Oh, no matter what the cost
You can have my, You can have my heart
(I give it all, I give it all) You can have it all
(I'm laying down my life) Laying down my life
(No matter what the cost) No matter what the cost

Sing it out
Only Jesus all my days
No greater treasure, no sweeter name
The cross before me, the world behind
I have decided, only Jesus

No turning back, no turning back
I have decided, only Jesus
No turning back, no turning back
I have decided, only Jesus
(No turning back) No turning back, no turning back
I have decided, only Jesus
(No turning) No turning back (I've come to find), no turning back
I have decided, only Jesus
I have decided, only Jesus
I have decided, only Jesus
I'm made up in my mind, I'm made up in my mind
Only Jesus
I've seen Him do too much, I've seen Him be too much
Only Jesus
I have decided, only Jesus

His name is Jesus
His name is Jesus
Oh, I love You, Jesus

I love You, Jesus
I love You, Jesus
I love You, Jesus

My posture for life is surrender
My posture for life is "yes"
My posture for life is hands wide open
My posture for life is a song of surrender

I say, "Yes, yes
Yes, yes"
I say, "Yes, yes
Yes, yes"
I say, "Yes, yes
Yes, Jesus"
I say, "Yes, yes
Yes, yes"
Ooh

As long as it takes
For me to get to the place of surrender
I'm gonna stay right here
Hey, I'm gonna stay right here, yeah
As long as it takes
For me to get to the place of surrender
I'm gonna stay right here (I'm gonna stay right here)
I'm gonna stay right here, yeah
As long as it takes
For me to get to the place of surrender
I'm gonna stay right here
I'm gonna stay right here

Till I say, "Yes, yes" (I'm gonna stay right here, I'm gonna stay right here
)
"Yes, yes" (I'm gonna stay right here, I'm gonna stay right here)
Until my life screams, "Yes, yes" (I'm gonna stay right here, I'm gonna stay
right here)
"Yes, yes"

I never knew what "yes" looked like until I met You
I thought I knew surrender and then I met You, Jesus
I thought I knew what surrender looked like
I thought I knew what a "yes" sounded like
And then I met You, God
And then I saw You, Jesus

I saw Your "yes" and I said, "Yes
Yes, yes"
I saw Your "yes," You didn't owe me a "yes"
But You said "yes," so I'll say "yes"
My life's posture is surrender
You're gonna get a "yes" out of me sooner or later
Yes
Everything that You require, everything that You ask of me
You're gonna a get "yes" out of me sooner or later
You're worthy of my "yes"
I say, "Yes, sing it, yes
Yes, yes"
I say, "Yes, yes
Yes, yes"
