

## Open Space

Housefires

Breathe life in the tired hearts, tired soul, tired thoughts  
Jesus, we need you  
We need you  
We need you  
We need you, Lord

My heart is an open space for you to come  
Have your way  
I'm open, I'm open  
My heart is an open space for you to come  
Have your way  
I'm open, I'm open  
My heart  
My heart is an open space for you to come  
Have your way  
I'm open, I'm open

Sing it out

My heart is an open space for you to come  
Have your way  
I'm open, I'm open

I'm open  
I'm open  
I'm open  
I'm open

Sing it out

I'm open  
I'm open  
I'm open  
I'm open

I'm open  
I'm open  
I'm open  
I'm open

Pull me in closer, close to your heart  
May I be a pure reflection of who you are

Love that is patient  
Love that is kind  
Love that keeps no offenses  
Wrongs and right

Make me like Jesus  
Make me like Jesus

My heart is an open space for you to come  
Have your way  
I'm open, I'm open  
My heart is an open space for you to come  
Have your way  
I'm open, I'm open

My heart is an open space for you to come  
Have your way  
I'm open, I'm open

You're faithful to find me  
Right where I am  
Even in my wondering  
You call me friend

And Mercy sees me and lift me to my feet  
And I'm caught up in a wonder and the mystery

My heart is an open space for you to come  
Have your way  
I'm open, I'm open  
My heart is an open space for you to come  
Have your way  
I'm open, I'm open  
My heart is an open space for you to come  
Have your way  
I'm open, I'm open

Do whatever you want to do  
And say whatever you want to say  
And move, however you want to move  
And change whatever you want to change

Do whatever you want to do  
Say whatever you want to say  
Move, however you want to move  
Holy Spirit  
And change whatever you wanna change

'Cause my heart is an open space for you to come  
Have your way  
I'm open, I'm open  
My heart  
My heart is an open space for you to come  
Have your way  
I'm open, I'm open

My heart is an open space for you to come  
Have your way  
I'm open, I'm open
