

So Much Better

Housefires

You're the
God of
Second chances
You've been
Writing my story all along
You're the
God of
New beginnings
Grace has
Always kept me in Your arms

You're so much better than I think You are
The way You loved me from the very start
So much better than I think You are
My soul knows it well
You're so much better than I think You are
The way You loved me from the very start
So much better than I think You are
My soul knows it well

And You're the
You're the
God of
Second chances
You've been
Writing my story all along
And You're the
God of
New beginnings
Grace has
Always kept me in Your arms

You're so much better than I think You are
The way You loved me from the very start
So much better than I think You are
My soul knows it well
You're so much better than I think You are
The way You loved me from the very start
So much better than I think You are
My soul knows it well

My soul knows it well
My soul knows it well

I've seen You do it before and You'll do it again
I've seen You do it before and You'll do it again
I've seen You do it before and You'll do it again
I've seen You do it before and You'll do it again (I know You will, I know You will)
I've seen You do it before and You'll do it again (Ohhh)
I've seen You do it before and You'll do it again
I've seen You do it before and You'll do it again (Yeah, I know You will)
I've seen You do it before and You'll do it again, ohh

So finish what You started
Finish what You started
Finish what You started

Finish what You started
Finish what You started
Finish what You started
Finish what You started (So much better)
Finish what You started

You're so much better than I think You are
The way You loved me from the very start
So much better than I think You are
My soul knows it well
You're so much better than I think You are
The way You loved me from the very start
So much better than I think You are
My soul knows it well

My soul knows it well
My soul knows it well
My soul knows it well
My soul knows it well

You're so much better than I think You are
The way You loved me from the very start
So much better than I think You are
My soul knows it well
You're so much better than I think You are
The way You loved me from the very start
So much better than I think You are
My soul knows it well

I got this joy and I won't let it go
I looked in His eyes and He freed my soul
I got this joy and I won't let it go
My soul knows it well
I got this joy and I won't let it go
I looked in His eyes and He freed my soul
I got this joy and I won't let it go
My soul knows it well
'Cause I got this joy and I won't let it go
I looked in His eyes and He freed my soul
I got this joy and I won't let it go, hey
My soul knows it well
'Cause I got this joy and I won't let it go
I looked in His eyes and He freed my soul
I got this joy and I won't let it go
My soul knows it well
I got this joy and I won't let it go
I looked in His eyes and He freed my soul
I got this joy and I won't let it go
My soul knows it well
I got this joy and I won't let it go
I looked in His eyes and He freed my soul
I got this joy and I won't let it go
My soul knows it well
I got this joy and I won't let it go
I looked in His eyes and He freed my soul
I got this joy and I won't let it go
My soul knows it well
