

# The Place Where I Belong

Housefires

This I know, I couldn't lose You if I tried  
I'm confident, I am Yours and You are mine  
A child of God, chosen by Your love  
You have a heart I know that I can trust

I will never lose You, You will never lose me  
I will never lose You, You're my home  
I will never lose You, You will never lose me  
I will never lose You, You're my home  
The place where I belong, ooh  
You're the place where I belong, ooh

I'm letting go, I'm never looking back  
My orphan heart has found its home at last  
So fear be banished, and let the striving cease  
With arms wide open, You welcome all of me, you welcome me

And I will never lose You, You will never lose me  
I will never lose You, You're my home, oh  
You're still my home  
I will never lose You, and You will never lose me  
I will never lose You, You're my home  
The place where I belong, ooh  
The place where I belong, ooh

Here I am, lost no more  
I found the place where I belong  
In Your heart, I'm secure  
I found the place where I belong  
Here I am, lost no more  
And I found the place where I belong  
And in Your heart, I'm secure  
And I found the place where I belong  
here I am  
here I am  
Yes, here I am, I'm lost no more  
I found the place where I belong  
In Your heart, I'm secure  
I found the place where I belong  
The place where I belong, ooh  
The place where I belong  
The place where I belong  
You're the place where I belong, ooh

I will never lose You, and You will never lose me  
I will never lose You, You're my home  
You always be  
I will never lose You, and You will never lose me  
I will never lose You, You're my home  
The place where I belong, ooh  
The place where I belong, ooh  
You're the place where I belong, ooh  
The place where I belong, ooh  
The place where I belong, ooh

I will never lose You, You will never lose me  
I will never lose You, You're my home

I will never lose You, You will never lose me  
I will never lose You, You're my home...
