

We Have No Good

Housefires

We have no good apart from Jesus
My portion and my cup, Jesus
The fullness of my joy

We have no good, we have no good apart from you
We have no good, we have no good apart from you
We have no good, we have no good apart from you
We have no good, we have no good apart from Jesus

My portion and my cup, oh Jesus
The fullness of my joy, oh Jesus
My portion and my cup, Jesus
The fullness of my joy, oh Jesus
