'Cause I've got this joy and it won't let go
I looked in his eyes and it freed my soul
I've got this joy and it won't let go
My soul knows it
I've got this joy and it won't let go
I looked in his eyes and it freed my soul
I've got this joy and it won't let go
My soul knows it
I've got this joy and it won't let go
I looked in his eyes and it freed my soul
I've got this joy and it won't let go
My soul knows it
I've got this joy and it won't let go
I looked in his eyes and it freed my soul
I've got this joy and it won't let go
My soul knows it

I looked in his eyes and it freed my soul
I've got this joy and it won't let go
My soul knows it
I've got this joy and it won't let go
I looked in his eyes and it freed my soul
I've got this joy and it won't let go
My soul knows it
I've got this joy and it won't let go
I looked in his eyes and it freed my soul
I've got this joy and it won't let go
My soul knows it
I've got this joy and it won't let go
I looked in his eyes and it freed my soul
I've got this joy and it won't let go
My soul knows it well

My soul knows it well
My soul knows it well
'Cause my soul knows it well

You healed me
You freed me
You delivered me
You saved me
I won't forget, no I won't forget

You freed me
You healed me
You saved me
You delivered me
There's joy when I think about it
So much joy when I remember

You healed me
You freed me
You saved me
You delivered me
Oh Jesus, my Jesus

You healed me

You saved me
You freed me
Delivered me
Oh Jesus, oh Jesus

You healed me
You saved me
You healed me
You delivered me
Oh Jesus, oh Jesus

You healed me
You saved me
You freed me
You delivered me
Oh Jesus, oh Jesus

You freed me
You saved me
You healed me
And delivered me
Oh Jesus, oh Jesus

You freed me
You saved me
You healed me
And delivered me
Oh Jesus, my Jesus

You healed me
You saved me
You freed me
And delivered me
Oh Jesus, oh Jesus

So much better than I think you are
The way you loved me from the very start
You're so much better than I think you are
My soul knows it

So much better than I think you are
The way you loved me from the very start
You're so much better than I think you are
My soul knows it well

Yes, I know it well
Yes, I know it well
My soul knows it well
Yes, I know it well
Yes, I know it well
My soul knows it well
My soul knows it well
My soul knows it well

Thank You Jesus, thank You Jesus, thank You Jesus
My soul knows it well
Thank You Jesus, thank You Jesus, thank You Jesus
My soul knows it well
Thank You Jesus, thank You Jesus, thank You Jesus
My soul knows it well
