

# Encore

**Housse de Racket**

What happens when music's over?  
I still wonder  
I've been there  
I've been there before  
It's called four to the floor

Encore  
Do you really want more?  
It's never over  
Encore  
Do you really want more?

Encore  
Do you really want more?  
It's a roller coaster  
Encore  
Do you really want more?

Is repetition a form of change?  
I'm not so sure  
We've been there  
We've done that before  
It's past the new future

The more we get the more we want  
???

Encore  
Do you really want more?  
It's never over  
Encore  
Do you really want more?

Encore  
Do you really want more?  
It's a rollercoaster  
Encore  
Do you really want more?

The more we get the more we want

Encore  
Do you really want more?  
It's never over  
Encore  
Do you really want more?

Encore  
Do you really want more?  
It's a rollercoaster  
Encore  
Do you really want more?
