She said bye bye love  
She said you don't live here no more  
Unless you change your mind  
You can pack them bags walk out the door  
Cuz you ain't livin here no more boy

We been together now almost a year  
And I tried my best to raise his son like he was my own kid  
See everytime I turn around and look up it's gettin weird  
I don't wanna commit to her but I don't wanna let it go  
She don't care nothing about my dreams she says there hobbies  
And I should work a job and I should be content  
I can't commit to her til she commits to herself  
There ain't no appealin I can hear her say
