

Let U Know

How to Dress Well

And I will let U know,
And I will let U see
Always you hold me, yeah
Always you took it from me
And I will let U know,
And I will let U see
Always you hold me, yeah
Always that you took it from me

See boy, nothing you know has changed
And yet there's differences
Nothing feels quite the same
Yeah, will it be strange for me to say
That I don't miss yesterday
That I don't feel no past
Standing in my way, no
But what is this love, this love,
This love, this love
And what is this heart, this heart,
This heart, this heart
And what is this truth, this truth
This truth, this truth,
Say I don't feel no past standing in my way, but

I will let U know,
I will let U see
Always you hold me, yeah
Always you took it from me
And I will let U know
And I will let U see
Always you hold me, yeah
Always that you took it from me
