

Ocean Floor For Everything

How to Dress Well

I know you were always ready for me baby
Way before we met, i got there just to say "hey, hey, hey"
And you were hoping for the days when you could say safely,
"I have my place, I have my home, I have my future"

But we never really plan for the worst of things do we?
And then something like this happens for the sake of me? Who? Me?
(Who? We?)
We've got a feeling, got strength, got the right thing for each
other
There's an ocean floor for everything: for me, the sun, and he,
gone
