

Don't Be Part Of It

Howard Jones

Save
Save
Save from the butcher's knife
Save from the experiments

Don't be part of it
Don't be part of the killing
Don't be part of it
Don't be part of the killing

Save from the furriers' trap
Save from extinction

Share a right to life

As long as there are the slaughterhouses
There will be battlefields
As long as animals die in testing
We won't find humanity

Save from the factory farms
Save from the cruelty

As long as there are the slaughterhouses
There will be battlefields
As long as animals die in testing
We won't find humanity

Save, don't be a part of it
Save, don't be part of the killing
