There was a time when there was nothing at all

Nothing at all just a distant hum.

There was a being and he lived on his own

He had nd one to talk to and nothing to do.

He drew up the plans

learnt to work with his hands

A million years passed by and his work was done. And his words where these: Hope you find it in everything

Everything that you see

Hope you find it in everything

Everything that you see

Hope you find it hope you find it

Hope you find me in you.

So she had built her

Elaborate home with it's ups and

It's downs

it's rain and it's sun.

She decided that her work

It was done

time to have fun

And found a game to play. Then as part of the game

She completely forgot Where she'd hidden herself And she spent the rest of her time trying to find the parts.

Hope you find it in everything everything that you see

There was a time when there was nothing at all

Nothing at all just a distant hum.
