Hunger For The Flesh

Howard Jones

Spare a thought for the souls Who cannot leave this earth The attachments bind so tightly, not a chance Not a chance of a new birth

The river gently beckons But the answer is no Gripping their illusions They cannot let them go

Hunger for the flesh
Leads them to a weaker heart
Mortals who imprisoned themselves
Let them have a new start

Wishing to hold onto life and all it's games Singing their lament song Holding back the change

They came here for to dance
To learn and not to cling
Holding onto life
As if it were the important thing

Hunger for the flesh Hunger for security Caught up in the mesh Caught up for eternity

Hunger for the flesh Hunger for security Caught up in the mesh Caught up for eternity

The river gently beckons But the answer is no Gripping their illusions They cannot let them go

Hunger for the flesh
Leads them to a weaker heart
Mortals who imprison themselves
Let them have a new start
Let them have a new start

Hunger for the flesh Hunger for security Caught up in the mesh Caught up for eternity

Hunger for the flesh Hunger for security Caught up in the mesh Holding back the change
