

I Don't Hate You

Howard Jones

You're acting bad
Like you don't care
You're letting your dark side rule your head
There was a time when you gave a damn
When you believed in evolution

I don't hate you
I just don't like the things that you do
I don't hate you
I just don't like the things that you do

I just wanna see behind your screen
How did Captain Cool become Major Mean
Abused by the world is the picture you paint
You choose to play the devil instead of the Saint

I don't hate you
I just don't like the things that you do
I don't hate you
I just don't like the things that you do

I'm reaching down to throw you a line
I hope I manage to reach you in time
It's all I can do to keep my place
I'm looking in the mirror and I see your face

I don't hate you
I just don't like the things that you do
I don't hate you
I just don't like the things that you do
